J. H. DYER MOVES  
TO SAN FRANCISCO

The office of Assistant General Manager J. H. Dyer, of the Southern Pacific, is being moved today from the present headquarters at Portland, Ore., to San Francisco, Cal.

The action was taken after the management of the Southern Pacific in the northwest had been given to Regional Director Ashton.

ONE HUNDRED MEN  
FOR LOCAL GUARD

The Ogden company of the Utah National guard is rapidly being recruited to full strength. After the closing of the armory last evening, the company was said to contain fifty men. The officials are eager to receive 100 men as the state will furnish uniforms and Springfield rifles when the organization is 100 strong.

The recruiting committee members are making it clear that the new guard unit is not the same as the old home guard but is similar to the old Co. B of the N. G. U. On the collar of the uniforms will be the word "Utah."

Regular drill will be held on Tuesday evenings. When the weather will permit, range shooting will be conducted at the old range near North Ogden. The armunit will be furnished by the state.

Members of the recruiting committee will be at the armory again this evening to enroll applicants. The 100 men should be raised this evening so the Ogden unit will be among the first to raise the quota for the state organization. It is stated by officials of the guard unit that the governor of the state has the power to draft men into the ranks of the organization, if necessary, but that this will not be required in a community like Ogden.

SALZBERG IN OIRE STRAITS.  
WASHINGTON, Aug. 20.—Salzberg, Austria's one-time famous tourist center and health resort, is in such dire straits for food that all strangers have been ordered to leave town, according to an official dispatch today from France.

## TAX LEVY OF CITY AND COUNTY WILL SHOW AN INCREASE OF MORE THAN ONE-HALF A MILL

The tax levy for the year was fixed by the board of county commissioners today at 21.68 mills in the city and 12.97 mills in the county outside of the city. The levy in the city last year was 20.70 mills and in the county 13.32 mills.

The increase in the city levy was from the city schools which asked for \$194,000 as against \$172,000 last year and one mill higher for the city.

The city levy is divided as follows:

State Schools ..... 2.60 mills  
City schools ..... 5.46 mills  
County ..... 7.25 mills  
County ..... 2.57 mills  
State road ..... .70 mills  
Total ..... 21.68 mills  
The county levy is as follows:  
State and state schools ..... 4.70 mills  
County schools ..... 4.00 mills  
County ..... 2.57 mills  
State Road ..... 1.70 mills  
Total ..... 12.97 mills

## LOTTERY IN CLOTHING OPPOSED BY LOCAL MERCHANTS

At the morning meeting of the city commissioners, held at the city hall, a protest was handed to the commissioners against the so-called Roberts system of tailoring. The Roberts system is similar to a system which was stopped two years ago by the city legislation, according to local clothing concerns. The patrons of the company make payment at intervals, said to be seven days apart, and once each week a drawing is held and a certain member of the club gets a suit of clothes for the amount of money paid to the concern at the time his number is drawn from the box. In this manner some patrons receive a suit for the amount of the first payment, while others pay the full amount or drop from the club, according to the explanation of local tailors.

The protest was signed by eighteen clothiers and dry goods firms. The Roberts system of tailoring deals with both men's and women's clothing.

The petition was referred to a committee.

The concerns which signed the protest are as follows:  
Watson-Tanner Clothing company;  
W. H. Wright & Sons' company; Wolfe, Clark and Son company; Leader Millinery company; National Cloak & Suit company; M. M. Wykes company; Golden Rule Mercantile company; Fred M. Nye Clothing company; Brown-Carlson-Treeder Clothing company; Buchmiller and Flowers; Horrocks brothers; Burt Dry Goods company; Last and Thomas; Paine and Hurst; R. and O. Quality shop; Joggan Tailoring company; C. L. Wappler, and the Anderson Tailoring company.

## MADE ARREST ON HELL'S HALF ACRE

A preliminary hearing of Frank Marino, charged with an attempt to commit larceny, was set by Judge Marriott in municipal court this morning, for Monday, August 26. The man is said to have attempted to burglarize bunk houses owned by the Oregon Short Line railroad.

Gus Nagas, Greek, who was arrested last evening by Officer Brown, while changing cars at the depot, was dismissed on the recommendation of County Attorney Farr. Brown arrested the man because the suitcase he was taking on his trip from California to an eastern city contained California wine. Attorney Farr stated that the case was an interstate question and could not be heard in municipal court.

Dorsey Yachums, colored, was sentenced to 10 or ten days for disturbing the peace at the corner of Hudson and Twenty-fifth.

The case of Mrs. Ludwig, charged with being drunk, was discontinued until Wednesday morning. The defendant was represented by Attorney David Jensen. Captain Mohman, whom questioned by the court stated that he made the arrest on "Hell's Half Acre." He did not give the exact location.

OIL LANDS PURCHASED  
BY SALT LAKE AND  
OGDEN MEN

Salt Lake and Ogden oil men are negotiating to secure control of about 250 acres of oil land in the Cumberland field, near Evanston, according to advices which reached the city today.

The announcement indicates that the deal has been made and that all that remains is the turning over of the property.

The holdings include nine producing wells and two unfinished wells, half a dozen drilling rigs and a large amount of machinery and equipment. The property has been inactive for some time owing to litigation, which it is understood has been satisfactorily adjusted.

The names of the Salt Lake and Ogden men interested in the deal have not been announced, but it is understood that the plans for the active work for the development of the property have been completed.

BODY OF SOLDIER IS  
LAID AT FINAL REST

BRIGHAM CITY, Aug. 19.—The body of Private Clarence James Mason, who died last week at Camp Kearny, arrived here yesterday morning, and the funeral services were held in the afternoon in the Second ward meeting house, which was crowded with sympathizing relatives and friends.

Governor Simon Bamberger came to attend the services and was one of the speakers.

To the gentlemen every woman is a lady by right of her sex.

## Huns Are in Retreat

Move Back Four Miles  
With Haig's Forces  
at Heels.

WITH THE BRITISH ARMY IN FRANCE, Aug. 20. (By the Associated Press).—Field Marshal Haig's forces continue to advance throughout the day in the Marville sector of the Lys salient. They are closely following the retreating Germans who this afternoon seem to have gone back to an extreme depth of between three and four miles and are still showing no inclination to come to a halt. Especially to the south of this sector the Germans have left behind them numerous lines of retarding wire entanglements.

LOGAN TO TRAIN 4,000  
MEN FOR THE U.S.  
ARMY

LOGAN, Aug. 9.—The Utah Agricultural college today was created the biggest soldier training establishment in the Rocky mountain region by the terms of a contract entered into between Captain H. L. Whitney and J. E. Addicott, representing the committee on education and special training of the war department, and the board of trustees of the college.

According to this contract, the Utah Agricultural college will train at least five detachments of 732 soldier-mechanics during the coming year in addition to the 2000 men who have just completed training. Under the contract the institution agrees to train these men for military and technical work until the end of June, 1919. In all probability, should the need then exist for more skilled mechanics, the college will continue to train them.

In all, nearly 4000 men will receive instruction during the year. In each detachment there will be 300 telephone electricians carrying work of college grade.

ELECTRIC ROAD SEEKS  
INCREASE IN RATES  
IN UTAH

At a preliminary hearing before representatives of the Public Utilities commission of Utah, which is being held today at the city hall, the Utah-Idaho Central railroad formally applied for an increase in freight and passenger rates, to make the rate correspond to those of the steam lines of the state.

The federal legislation raised the freight and passenger rates on all lines which operate parallel and in the same territory as the U. I. C. a short time ago, but as the provision did not affect local and interurban street railways, the local electric lines did not receive a corresponding increase.

The application of the U. I. C. provides for an increase of approximately 25 per cent on freight. The passenger rate will be affected but very little, if the petition is granted by the state commission, the only difference being the discontinuation of the prevailing ten-day rate.

The irregularity of the present system is illustrated by the freight rates on brick of the steam and electric lines. The U. I. C. price is 6 cents per hundred weight while the rate on the government controlled lines is 8 cents.

The electric roads maintain that the increased price of materials and increase in the cost of labor, affected them in the same proportion as it did the steam lines, and that they should have the same rates for freight and passengers.

The case will be before the State Public Utilities commission for several days.

NEARING COMPLETION.  
BRIGHAM CITY, Aug. 19.—Brigham City's new water system is nearing completion, the entire main lines of the system having been replaced with a twelve-inch pipe to take the place of the eight-inch. The city recently purchased additional water supply from Mantua citizens, and when the new system is placed in working order there will be fully three times as much water as formerly.

## AUTO STRIKES LIGHT RIG AND CHILD IS INJURED

Isabell Larsen, 9 year old daughter of Mr. and Mrs. Henry Larsen of Five Points, is recovering from injuries which she received when the light buggy in which she was riding with her mother, was struck by an automobile driven by C. D. Kerny and owned by D. A. Smyth. The accident occurred at the corner of Grant avenue and Twenty-fourth street, at 4:45 Monday afternoon.

According to Mrs. Larsen, who was driving the horse, the accident occurred when she turned her rig from Grant avenue, intending to proceed east on Twenty-fourth street. The automobile is said to have been going west on Twenty-fourth when it suddenly turned and crashed into a light truck loaded with vegetables. As the chauffeur endeavored to withdraw from the truck, he suddenly turned his car in the opposite direction and smashed into the light rig.

Those who saw the accident say that the child was thrown from the buggy to the pavement when the crash came. Though the driver of the car could see that he had caused some injury, witnesses claim that he intended to drive away until stopped by Dr. Emil Hansen, of the United States army.

The child was taken to medical aid, where she was soon on the road to recovery. The chauffeur is now under bail of \$25 after being taken to the police station by Officer William Dick.

The damage to the automobile was slight. The wagon was smashed.

WORLD'S MARKETS

NEW YORK, Aug. 20.—The activity and strength of Canadian Pacific at a further advance of 3 1/2 points was the feature of the early dealings in the stock market today. Other rails, including some of the low priced issues, were higher by liberal fractions to one point. Marines supplemented their gains of the previous session and other strong stocks included American Smelting, American Sugar, Sumatra Tobacco and United States Rubber. United States Steel gained a half point and specialties were represented by New York Airbrake which declined 4 1/2 points.

Trading assumed wider proportions later, the usual orders however, being obscured by rails and specialties. Wisconsin Central was prominent among the low priced rails, advancing 1 1/2 points. Union Pacific and St. Paul preferred gained one point each. General Motors was again active despite recent restrictions, advancing 2 1/2 and gains of 1 to 2 1/2 points were recorded by American Telephone, American Can, Steel Foundries, Railroad Steel Spring and Baldwin Locomotive.

Liberty 3 1/2's were lifted to the new high record of 101.10 related issues showing greater steadiness.

## HUNTSVILLE TO HAVE A WEEK OF LETTER WRITING TO BOYS WHO ARE SERVING THE COUNTRY

One of the patriotic bits of work of the people of Huntsville is letter writing to the boys who are in the service of the country. This has been carried on for a short time and has proved to be very successful. The plan has met with the favor of the bishopric and a committee has been appointed to further the good work. This week has been set aside as a letter-writing week and every family in Huntsville and Middleton has been assigned the name of one soldier to whom it is expected a letter will be written this week.

There are now forty-three men from the two wards in the service of the country and they are to receive letters. The committee in charge of the work, consists of Maggie Felt, chairman; Minnie J. Hall, Alice E. Lofgren, Miriam Renstrom, Blanche Felt and Arnold Renstrom. The committee desires that the letters be cheerful, full of home news and expressive of good feeling.

The Boy Scouts have been assigned the work of distributing the names and addresses of the soldiers and sailors and to collect the letters when they are written. When the letters are written, they will be turned over to the committee to check off the names of the soldiers and to see that each has received a letter and that no family has shirked its duty.

Letters to the following boys in the missionary fields will be written: James McKay, George Allen, Moroni Allen and Alma Burrows.

The following are the names of the soldiers, together with the families to whom the names have been assigned: Clarence Aldons—Thomas Stoker, James C. Wansgard, Joseph Felt, James Nelson.

Tura Aldons—Sylvester Grow, Albert Wansgard, Ed Jespersen, Clifford Anderson, Merrill Allen.
